

## The Impact of the US Korfball Federation

- **Organizing** national and regional tournaments, bringing together teams from across the country.
- **Developing** youth programs to introduce korfball in schools and communities.
- **Conducting** coaching clinics and referee training to ensure high standards of play and officiating.
- **Representing** the United States in international competitions, enhancing the country's profile in the global korfball community.

## Why Korfball?

- **Mixed Gender Teams:** Korfball mandates co-ed teams, promoting gender equality and cooperation.
- **Teamwork and Communication:** Success in korfball hinges on strong communication and effective teamwork among all players, fostering mutual respect and collaboration. Soloplay is impossible in this team sport.
- **Social-Emotional Development:** Korfball promotes social-emotional skills like empathy, cooperation, conflict resolution, and resilience.
- **No-Contact Sport:** Korfball is non-contact, ensuring a fair and respectful playing environment.
- **Health and Fitness:** Korfball provides a full-body workout, enhancing cardiovascular health, coordination, and physical fitness.
- **Community:** Playing korfball builds a sense of community and belonging among individuals from diverse backgrounds.

# THE *Basic Rules* OF KORFBALL

## Mixed gender teams

4 girls and 4 boys on each team.  
This is the way!  
Girls only defend girls, boys only defend boys.

## No solo play

Dribbling and running with ball in hand are not allowed.  
Instead: Communicate with your teammates and assist each other!

## No contact

Like, really!  
As long as you hold the ball, it's yours. No pushing, no knocking the ball out of another player's hands.

## Equality

No fixed positions, defense and offense take turns after every 2 goals.  
Everybody can score!

## About Us

The US Korfball Federation (USKF) is the governing body for beach and indoor korfball in the United States, incorporated as a **nonprofit**, and holding 501(c)(3) tax-exempt status.

**Our mission** is to advance the sport of korfball in the United States by providing comprehensive support and resources to both new and existing clubs and/or entities. Our mission is to foster the growth and development of korfball at all levels and abilities, creating a thriving community of enthusiasts across the nation.

**Our vision** is to make korfball a widely recognized and practiced sport across the United States. We aim to establish new korfball clubs, integrate korfball into school curricula, and achieve competitive success on the international stage.

## What is Korfball?

Korfball is a unique, co-ed sport that combines elements of basketball, netball, and handball. Traditionally played by teams of four men and four women (teams of two men and two women in beach korfball), korfball emphasizes cooperation and gender equality. The sport is played on a rectangular court with a goal (korf) at each end. The objective is to score by throwing a ball through the opposing team's korf.
